Product ID: ISCC60 - Instanta CC60 Un-Heated Cup Carousel

Instanta CC60 Un-Heated Cup Carousel

Capable of holding 60 (85mm max diameter) stacking cups and 60 saucers, this carousel revolves through a full 360°. Using only 200w power, the carousel will help you to serve piping hot drinks by substantially reducing the temperature drop caused by cold cups. Unlike some other carousels, Instanta carousels have unique protecting runners which prevent unsightly scratches to both the cups and the equipment. The carousel takes the popular 85mm stacking cups as standard but, if required, we can supply runners which are easy to fit and reduce the aperture to 80, 75 or 70mm (please specify at time of order). Also available unheated for storage only (Model CC60)

Height: (mm) 710

Width: (mm) 376 di

Depth: (mm) 376 di

Heat up time, mins: 30

Rapid draw off after initial heat up: N/A

Min hourly output: N/A

Power Rating(kw): 0.2
